RE: MICHAEL MENZIES V. LONG ISLAND RAILROAD COMPANY
19 Civ. 11235 (JGK)(BCM)

Dear Judge Koeltl:

We are plaintiff's counsel in the above-entitled case and we write to respectfully request a brief two week adjournment for filing the Joint Pre-trial Order and related trial documents. We just learned sadly that defense counsel's wife passed away this morning. Drafts of the documents have been exchanged but in light of the circumstances we need additional time to finalize the submissions. We thank the Court for its consideration of this request.

Very truly yours,

Sean Constable
